County sorts through who does what

The Haliburton County "Who does What" Committee submitted its preliminary recommendations to county council at the June 18 meeting. The document outlines which level of government should shoulder the responsibilities in such areas as emergency services, parks and recreation, planning, social services, roads, tax collection and waste management.

The following are highlights from the recommendations:

The county would assume responsibility in such areas as ambulance services, policing, library services, economic development, homes for the aged, social services and family benefits administration and septic inspections.

Lower tier governments would be responsible for by-law enforcement, non-profit housing, sidewalks, street lighting, sewer systems, collection of taxes, transit, waste management, water systems and airports, among others.

A number of areas have been identified where the two levels of government would share responsibility. For exam-

ple, in the case of fire departments, the county would be in charge of communications and services, while the municipalities would be responsible for suppression/rescue, fire prevention programs and medical. Another area where both levels would divide responsibilities is in planning. The county would be accountable for the official plan, subdivision approvals and consents, while the lower tier would approve minor variances, conduct pit and quarry reviews, oversee site plan controls and enforce zoning by-laws.

Parks and recreation would see most of the responsibility shouldered by the municipalities. Such things as arenas/community centres, ball parks and fields, boat launches, playgrounds, trailer parks and community parks would fall under the jurisdiction of the lower tier governments. The county would be responsible only for corridor parks.

The county would continue to assume control of county roads, including those which have recently been transferred

(more on page 2)

It was a night of celebration at Archie Stouffer Elementary School as students from the grade eight class received their graduation certificates and special awards. Emily Brandon was recognized for a number of achievements and is seen here receiving the Haliburton County Women's Teachers Association award for leadership from teacher Chris Lynd. For more details and photos, please turn to page 25 and 28.

Farmhouse demolition placed 'on hold' while council considers options

The Stevenson Farm has been given a stay of execution, for the time being. The Haliburton County Board of Education Management Committee agreed last Tuesday to defer any decision on the removal of the house until its September meeting.

Carolyn Coburn, representing the Minden County Town Museum, told the group that a professor from Trent University has indicated the farm could be of value to his project in the area.

Professor John Wadland, the lead professor in the Bioregionalism Project, has

expressed a strong interest in the Stevenson Farm. He has suggested the building might be used as a 'base camp' from which the students could carry out research on the Haliburton County area.

The Stevenson farmhouse is on property owned by the Haliburton County Board of Education. The building is located immediately behind Archie Stouffer School on the edge of the hill overlooking the school's playground.

Anson, Hindon and Minden Reeve Jeanne Anthon and Deputy Reeve Jerry Rome were also at the meeting. The

council representatives told the committee they are reluctant to accept responsibility for the farm. The council is willing however, to enter into a partnership of some description with Trent University if the school is interested in developing the proposal.

Council felt that more time was needed in order to consider the various options. The representatives affirmed they do not want to compete with Sir Sanford Fleming College.

One option presented would be to lease the house for a year with the option to buy it. This is council's preferred direction

at this point, however it is still willing to consider other alternatives.

Unfortunately council had little time to prepare a proper presentation for the board's committee meeting. At the time of the meeting, representatives from council were not empowered to enter into any formal arrangement but were simply seeking additional time to work out the details of an agreement.

The group was asking that the board not proceed with the demolition of the farmhouse to give the council and the Museum time to determine their

best options.

In addition to the potential use by the Bioregionalism course, the Minden Museum Committee has also expressed an interest in the structure.

Concerns were raised about possible vandalism that might take place while decisions were being made and who would take on the expenses incurred by the buildings, for example electricity and insurance fees.

The Management Committee recommended that any decision concerning the disposition of the Stevenson Farm be

(more on page 4)

County: hands-off approach in jurisdictional squabble

(Items discussed at the June 18 meeting of Haliburton County Council.)

If the Municipality of Galway-Cavendish wants to leave Peterborough to come to Haliburton County, it will depend on whether or not Peterborough County

Who does what? (from page one)

from the provincial highway system. The county would decide the most economical method of maintenance, whether by county staff, lower tier governments or even the private sector. Engineering, design and construction would remain under county jurisdiction.

The recommendations will be used as a guideline. Adjustments may be made to provide the best and most economical services.

approves of the move, Warden Murray Fearrey told the county council meeting.

Fearrey said Galway-Cavendish would be welcome as a part of Halibur-

ton County, adding, "if they do come here it would be of value to them and of value to us."

He noted that Haliburton County can't interfere in the process. It is the responsibility of Galway-Cavendish and Peterborough County to arrive at an agreeable decision.

No truth

Fearrey adamantly denied a rumour that he says he has heard at least three times recently.

"I want to make it abundantly clear that I am not opposed to the amalgamation of the municipi-

palities of Snowdon, Lutterworth and Anson, Hindon and Minden," he said. "Those rumours are a lie," he added emphatically.

Reeves to study amalgamation

On the subject of amalgamations, Fearrey stated that "there is no end to proof that amalgamations do not result in tax savings." Having said that, he admitted that he is not opposed to Haliburton County's 10 municipalities amalgamating into three or four larger municipalities, with a

county level of government as well.

He said that county council representatives will be attending numerous cottage association annual meetings over the next several weeks and they should be able to explain what has been happening in the area of restructuring and what may be expected in the near future.

"I think we should look at three larger units," he said.

To that end, the reeves of the 10 municipalities will meet early in July to discuss the possibility of

forming fewer and larger municipal units.

Clarification

The possibility of inviting the assessment commissioner to attend a meeting to explain where the province is going in terms of Actual Value Assessment and what impact the Managed Forest and Farm Tax Rebate Programs will have on Haliburton County was discussed.

No mail or phone voting

Council decided not to
(more on page 10)

Correction

An error appeared in the report about the CHACE annual meeting in last week's edition of The Times. The annual deficit was reported as approximately \$12,000. In fact the deficit has accumulated over the past ten years.

SPECIAL RECOGNITION: Several local businesses were recognized for their support of the Minden Fire Department by allowing employees, who are volunteer firefighters, to drop whatever they are doing to answer fire calls. The municipality of Anson, Hindon and Minden showed its appreciation at Thursday's council meeting when council members presented certificates to the business owners. They are (l to r): Lutterworth Township Reeve Jim McMahon, Jim and Nancy Garbutt of Garbutt Enterprises Ltd., Bonnie Pentney of Minden Home Hardware, Don and Opal Crowe of Kawartha Dairy, Jim Hopkings of Staunworth Non Profit Housing Corporation and Rick Bailey of Camarvon Lumber. Absent: a representative of Roger Danilko Trucking.

*Galway-Cavendish council demands meeting with the minister***Fight to join Haliburton County continues**

by Jerry Grozelle

Tempers flared at a special meeting of Galway-Cavendish council on Sunday, June 15. The meeting was called to address three resolutions to clarify the ratepayers' position on amalgamation with Haliburton County. A ratepayers' meeting the week before at the Galway Hall resulted in a resolution requesting Galway-Cavendish council to set up a meeting with Municipal Affairs Minister Al Leach, Victoria-Haliburton MPP Chris Hodgson and Hastings-Peterborough MPP Harry Danford. The resolution also stated that it was the wish of Galway-Cavendish ratepayers to leave Peterborough County and join Haliburton County effective January 1, 1998.

In spite of the wording, which states, in part "...to allow Galway-Cavendish to move to Haliburton County, effective January 1, 1998," Two members of Galway-Cavendish council interpreted the ratepayers' resolution to mean that the municipality seek only permission from Leach for Galway-Cavendish to go to Haliburton, but that there was no express or implied

wish to actually become a part of Haliburton County.

More than 100 Galway-Cavendish ratepayers packed the municipal council chambers, spilling into the halls and adjoining rooms. Insults were levelled at the dissenting members of council during the heated exchange.

The result of the meeting was three resolutions which were passed.

The first: "Council resolves that the Corporation of the United Townships of Galway-Cavendish leave the County of Peterborough to join with the County of Haliburton on January 1, 1998."

The second stated: "Council resolves that there be five delegates to meet with Minister Leach and that the five members are: Reeve Oliver Lloyd, deputy-reeve Peter Franzen, councillor Jim Boston, Don LaCombe, president of the Galway Ratepayers' Association (or designate) and Don MacKay, president of the Cavendish Ratepayers' Association, Inc. (or designate)."

Resolution three stated: "Council resolves that the Galway Ratepayers' Association and the Cavendish

Ratepayers' Association, Inc. are authorized to provide background material for the meeting with Minister Leach."

The background information provided includes a summary of the tax structure, governance, lifestyle, economy and reasons why Galway-Cavendish does not want to amalgamate with Harvey Township, which Peterborough County has asked the Ministry of Municipal Affairs and Housing to force.

The documents also offer some insight into the restructuring process which has been ongoing for more than a year in Galway-Cavendish. Included is a graph showing that Galway-Cavendish fits better with Haliburton County because of its high ratio of seasonal residents. Only Sherborne Township in Haliburton County has a higher ratio of seasonal residents than Galway-Cavendish within both counties.

Another graph compares Galway-Cavendish tax increases since 1994 with the five Haliburton County municipalities closest to Galway-Cavendish. In every case, the Galway-Cavendish increases were more than double that of its Haliburton County counterparts.

Home support services annual meeting hears about integrated health services

by Misty Bennett

Integrated health services was the topic of the day last Tuesday as Haliburton County Home Support Services held its annual meeting.

The guest speaker for the meeting was Elizabeth Fulford, president of the Ontario Community Support Association and the Executive Director of Durham Region Community Care Association. She spoke to the members of Home Support Services about integrated health services and what it has meant to the Durham Region.

Fulford had praise for the support group as she commented on the challenges of Haliburton County's vast area and the lack of services for seniors and the disabled, such as public transportation.

She admitted that in times of cut-backs like those currently being experi-

enced, the effects often ripple out to the services that are provided by Home Support.

"People who once would have been hospitalized for a day or two following surgery are now being sent home the same day, and it's affecting the services provided within smaller communities," said Fulford.

A closer relationship between the differing services is only one thing that will be important in the quest for integrated health services.

In the Durham Region, Fulford found that identifying the gaps in services permitted groups to understand the variety of programs that are being offered. The people involved in forming integrated health care were also able to see what areas would be affected by the process and to what extent these effects would be felt.

Fulford pointed out that the solutions

which were devised for the Durham Region aren't going to be the same solutions for Haliburton. Durham had more healthcare and support programs to work with and six hospitals to incorporate into its plan.

The most common concern with integrated health care is the fear that "someone is going to take us over." This generally tends not to be the case.

"Hospitals and long term care facilities are used to working in conjunction with other groups," says Fulford. Consequently these organizations tend to function in co-operation with other services for the benefit of the whole.

In considering the option of integrated health care, one must realize that no single group has the whole answer. From the friendly visitor, to constant palliative care, people's needs vary by degrees and a variety of services may have to be provided based on these

needs.

"If we start the process and play a part in it, our leadership is shown. If we're not at the discussion table, decisions will be made without us and on our behalf," said Fulford.

Finally, she stressed the importance of building strong relationships and changing the perspectives of those people who doubt that positive changes can be made.

Financial reports

The financial statements for the 1996 - 1997 year were presented. Home Support Services is maintaining its operating expense contingency fund to ensure financial responsibility should the service ever be put out of business. The fund represents a total of three month's expenditures.

Tenders opened for HHSS renovations

(from page one)

deferred until the September meeting. This delay would give council two months in which to seek legal advice and would allow for further investigation as to the options for the farm.

Ceiling repairs

The Management Committee also heard a report on the ceiling repairs at the high school. The renovations were to begin on June 18 and be completed by August 9. This represents a very tight schedule for the builders, but they are aware of the time lines, and shouldn't have difficulty meeting this deadline.

Tenders opened

Tenders for the renovations and planned addition to HHSS were opened June 11. Five firms expressed interest in the project, with three tenders being submitted. The fourth was late. The other was not submitted. The successful tender came from W.S. Morgan Construction Ltd. of Parry Sound.

If the Management Committee accepts the tender, the bidder will be asked to identify the costs of various portions of the contract: for example the cost for building the science labs and/or the cafeteria and/or all other areas of construction. At present it appears promising that the school will be able to begin renovations, as the Education Improvement Committee has shown support for the project.

Poplars

Finally, the Committee heard concerns from Don Stromberg who is a property owner adjacent to the Archie Stouffer Elementary School bus driveway. Stromberg is concerned about the dying poplars which stand on school property and lie adjacent to his land. He requested that these dying trees be removed before the trees fall onto his property. The Committee agreed to look into having the trees removed and other trees planted in their place.

The Stevenson farmhouse and barn overlooks the Archie Stouffer Elementary School playground. Slated for demolition, the house has been spared for several months while potential options for its use are being considered.

Home Support Services honours two top volunteers

(from page 3)

rectors were elected. Serving a one year term on the board are: Bill Hartin, Helen Henderson, Jerry Rome, Ruth Still, Jane VanNood and Jean Whittman. Serving a two year term will be: Adele Barnes, Garry Holland, Mary Keats, Bob Mitchell and Lourene Scott.

The Haliburton County Home Support Services also presented its volunteers of the year award. Unfortunately this year's honourees, Barbara Howland and Brian Hall, were unable to attend the meeting.

In March 1995, Howland went to Home Support and offered to volunteer. By August of the same year, she had convinced Hall to do so as well. In a combined effort they have contributed 1,616 hours of their time to helping people through Haliburton County Home Support Services.

Here's the beef....and here's the music

Anyone with a hankerin' for a plate of delicious, spit-roasted beef with all the trimmings, topped off with a dessert selection that included most of the down-home favourites was sure to be satisfied with the spread presented at the twentieth annual Minden Agricultural Society Beef Barbecue. The feast was enjoyed by one of the largest crowds in recent memory Saturday, June 14, at the Minden Arena. For those who were worried about their waistline, the evening was capped off with the return of the Misty River Ramblers to the stage where the group first performed. At the Left, Jean Bowron prepares one of the roasts for slicing while helper Crystal Cowen slips by. (Note: even Mickey seems to have his eye on the beef.) Above, 20 years after it all began, the Misty River Ramblers kept the dance floor crowded all night.

Health services AGM Thursday evening

Area residents are reminded of the first annual meeting of the Haliburton Highlands Health Services Board scheduled to take place this Thursday at the Minden Community Centre. The meeting is open to the general public, however only those who purchased memberships in the corporation, the deadline was 90 days ago, may vote at the meeting. This is the first time

the corporation, which was formally created April 1996, has held an annual general meeting.

In addition to the traditional business of annual meetings, the board is expected to report on the health services plan for the area and the progress in the construction program for the Minden and Haliburton sites.

The meeting begins at 7 p.m.

(The Anson, Hindon and Minden municipal council meeting, normally scheduled for Thursday evening has been changed to 10 a.m. to accommodate the Health Services Board AGM.)

Presentations made at AHM council meeting

Two insurance options considered by council

by Jerry Grozelle

Representatives from two insurance companies provided information to Anson, Hindon and Minden council in the form of presentations at the June 12 council meeting.

Council has been asked to make a three-year commitment to a reciprocal insurance plan through Jardine OME Ltd. Under this plan, the municipalities enrolled would share liabilities. Municipalities with populations of less than 50,000 are pooled, while municipalities of 50,000 and over are in another group. Each municipality would pay its premium and when any one has a claim, each of the members within the pool pays a share of that claim according to its population base and share of the premium within the pool.

Rob Dempsey of Frank Cowan Company Ltd. emphasized what he views as the negative points of the reciprocal system of insurance. He said it would reduce the incentive for municipalities to practice risk management since all the others within the pool share in the pay-out.

Premiums paid by pool members are like a deposit. That initial payment would be affected by claims that are settled as long as five to ten years after litigation starts.

Dempsey noted that the number and size of the claims determines the actual cost and those costs aren't known in some cases until several years after the actual annual premiums are paid. If claims initiated in a certain year exceed the premiums that were paid by the municipalities within the pool, the excess would also have to be shared by member municipalities in the form of "retro" billing.

Dempsey said that in the past two years, for every dollar in premiums paid, an additional 58 cents in retro

has been charged.

"The claims are what decide the premiums," Dempsey said. "The retro could be the killer."

Dempsey also cautioned that in the case of restructuring or amalgamation of municipalities, the responsibility for retro assessments would be transferred to the new municipality.

"Each municipality shares in the losses of the others," Dempsey said.

On the other hand, if claims are lower than the total of the premiums collected, members are, in theory, entitled to a rebate.

Dempsey is skeptical about the chances of participants realizing any rebates.

"Premiums have gone up more than 350 per cent," he said. "It had to be done to cover the pool. They have to go up to match the claims."

Paul Dorman, representing the reciprocal system, noted that the conventional method of insurance has its flaws. He cited a conventional insurance case in Brampton where a claim resulted in the doubling of that municipality's insurance premium.

"The case was later overturned, but Brampton didn't get any refund," he said.

Noting the advantages, Dorman said that the maximum liability is half a million dollars per claim, which is shared by all member municipalities.

"With reciprocal, you can get water coverage," he said, "and with reciprocal, you are not penalized immediately. You can wait and see how cases are settled five or six years down the road."

Dorman said that when the premiums are calculated, a worse-case scenario is anticipated and then an additional margin of error is added.

"The premiums are based on that," he said.

Dorman said that the reciprocal system of insur-

ance is non-profit. The insurers charge a fee for services and administration.

"We are the managers," he said.

The reciprocal system of insurance has been in use in Australia for several years and Dorman said in the long run, the savings are in the neighbourhood of 30 per cent.

"Yes, there could be retros," Dorman admitted.

"But there have been premium reductions."

Dorman said it is like the municipality being a part of its own insurance company. It is run like a corporation, with the partners all having a say in the operation.

"This is not a short-term fix for a 15 or 20 year problem," he added.

Jardine is asking for a three-year commitment, but there is an allowance for a six-month escape clause for any members who decide to opt out of the reciprocal system.

Among the concerns expressed by council members were the fact that even if Anson, Hindon and Minden had no claims, it would still be responsible for a share of the other members, claims. Daryl Moore questioned the need for a six-month escape clause and wondered what it would do to the premiums.

Dorman said he expects a reduction in premiums over the long run.

Council is going to study the proposals further before making any commitment. Reeve Jeanne Anthon said that the municipality's insurance premiums were paid about two months ago, so there is no urgency in her view to make any decisions without thorough investigation. Council will contact other municipalities which have been involved with the reciprocal system of insurance, for their comments.

Looking good at 50

Editorials

A tip of the old editorial hat to the members of the Minden Rotary Club. This past weekend the organization marked its fiftieth anniversary with an open house and a banquet.

Like all service clubs, their efforts are sometimes taken for granted. Sure we are aware of the major fund raising efforts, the ticket sales and the annual carnival which this club presents each year. These are high profile events which grab our attention. What isn't always obvious is what happens with the funds that are generated by these efforts.

The proceeds are used for community projects. The money given to the club is reinvested in the community to provide services or facilities that benefit everyone. Minden's Rotary Park and the many amenities available at the community centre are just two ex-

amples of the projects supported by Rotary fund-raising efforts.

The organization also works quietly behind the scenes helping individuals and families with special needs. On more than a few occasions, the club has provided assistance to an individual to enable him or her to obtain special medical treatment, continue in school through the purchase of a learning device or to ease a family through troubled times. This is the quiet side of service club work where discretion is important and there is little public recognition, but to the family or individuals who benefit, the help is crucial.

The club has also been a regular supporter of the Easter Seals Society, the Five Counties Children's Centre in Peterborough, and, through Rotary International, is part

of a world-wide effort to eliminate polio and other childhood diseases from the face of the earth. More than ten years ago the local club also recognized the need for the eventual replacement of the Minden Hospital and created the Minden Hospital Building Fund. This special account is managed by the Rotary Club, with the assistance of several non-Rotarians, and provides a secure place for individuals to deposit funds they know will be used for the hospital replacement or health services in the community.

So, as the Rotary Club of Minden turns 50, we salute the organization which has had such an important impact on our community. May the next 50 years be as enriching to our community as the last half century.

jb

A super jail for the area?

Editor:

Apparently the province is considering building one of its new super jails somewhere in Haliburton or Victoria counties.

Provincial guidelines stipulate that a super jail will require a minimum of 85 acres of land, complete with municipal water and sewer services, electricity and natural gas. But, most important of all (in our opinion) the jail must be located within 20 minutes of a hospital and emergency officials.

Do you realize what this means? An incarcerated felon who has forfeited his/her rights and is paying his/her debt to society (with our tax dollars) must be located within 20 minutes of a hospital and emergency officials.

Do the citizens in our counties have this guaranteed "20 minute right" to medical attention and adequate policing facilities?

No! And if the hospital/OPP facilities leave Minden, we then become second class citizens and take our chances.

What do we have to do to ensure that we have medical facilities available in the Minden area?

Fight to maintain what we have?
Actively bid on having one of the

Restrictions

Editor:

We made breasts sex-objects and now we want to unmake them, right?

My guess is it will take a minimum of 30 years, or one generation. So in the meantime - as we prepare to go through all the craziness - how about some restrictions?

Restaurants require dress codes as do many public places; put restrictions like beaches, parks, campsites, etc, and hopefully these choices will ease the transition.

No Wiebe
Stanhope

super jails built in our area?

Commit a crime?

We wonder which option, what is the easiest and cheapest?

Rick Ratcliff,
Jane Leavis
South Lake and Oshawa.

The rules

The Times welcomes signed letters to the editor on subjects of interest to our readers. Short letters are most likely to be chosen for publication, but the use of any material is at the discretion of the editor. The editor reserves the right to edit letters to meet space requirements, for clarity or to avoid obscenity, libel or invasion of privacy. Upon request, names may be withheld, but only very rarely and for compelling reasons. Letters published do not necessarily reflect the editorial policies or beliefs of this newspaper. All letters must bear the handwritten signature of the writer and include the address and phone number for verification purposes.

Outside Canada-- \$50.00

Most of our regular readers will recall the photo on the left which appeared on the front page of our September 9 edition. It was Cameron Mann's first day in Ms. MacDonald's Kindergarten class at Archie Stouffer Elementary School and to say the least, he was a little intimidated by the experience. Some kind words and gentle coaxing from teaching assistant Anne-Marie Mills, helped ease the transition.....

.....It is amazing what a difference a year can make in a young man's life, as the photo on the right demonstrates. Cameron proudly displayed his Kindergarten graduation certificate to a friend after Principal Peter Forgrave presented it to him. Congratulations Cameron and all those other students throughout the area who successfully completed another year in school.

Rock 'n rollin' granny

When you turn 35, something happens to the music

Gene Lees

How true. Breathes there a reader over the age of 35 who doesn't pine for the good old music of their youth? And who doesn't think that the songs that make up today's hit parade exhibit all the charm and musicality of a tomcat in rut having his way with a set of bagpipes?

I know that the music I rocked to 25 years ago was infinitely superior to the squawking and squalling that comes over my radio today.

Oddly enough, I seem to remember my father making the same point about his music.

Not surprising, I guess. The music we liked as kids filtered down to us through a swamp of raging hormones. It's only natural that we would outgrow the music. Most of us anyway.

There's always Jane Scott.

Jane is a reporter with a newspaper called *The Cleveland Plain Dealer* in Ohio. The Rock and Roll scene is her assigned beat. Every Friday and Saturday night finds Jane crammed into a writhing, thrashing mob, listening to groups like Twisted Sister, Smashing Pumpkins or The Dead

Kennedys. It's a job she's held for three decades.

Jane Scott, Rock and Roll reporter, is 77 years old.

"I must be the only rock writer who is going to their 60th high school reunion this summer," says Jane.

What does she look like? Like a cross between your grandmother and a bag lady. Silver-gray curls tumble helter-skelter around her heavy hornrim glasses. She wears a rumpled raincoat, a man's wrist-watch and she carries a shopping bag looped over the arm that's not holding her ever-present notepad.

"My survival kit" she calls the bag. It carries peanut butter sandwiches, a box of Kleenex, safety pins and - the true sign of a rock and roll veteran - a set of earplugs. She likes a lot of rock groups but even she will admit they're not all good. Still, she has nothing but raves for the Kinks, Bruce Springsteen and ZZ Top.

There aren't many pop stars Jane Scott hasn't met in her 30 years on the beat. She's joked with Jagger, bantered with the Beach Boys, and spent quality time with The Beatles.

There have been other moments. The last time Springsteen performed in Cleveland he yelled out to the audience "Is

Janey here? I want to see her." Even Bob Dylan, the Hermit of Rock and Roll, thaws when Jane Scott is around. "Four years ago I got an invitation to come backstage at the Palace Theatre the night of his show" recalls Jane. "I did manage a lame question about his album. When I extended my hand to shake good-bye, he kissed me on both cheeks. Later I was told that he dedicated 'Like A Rolling Stone' to me."

How big is Jane Scott in the annals of Rock and Roll? Big enough to rate her own exhibit in The Rock and Roll Hall of Fame in Cleveland. Right up there with Aretha Franklin, The Supremes, Eric Clapton, Michael Jackson, Simon and Garfunkel. Jane Scott's listened to and written about them all.

Well, not quite all. Jane Scott does have one regret. She never got to meet The King.

But she came close. Back in the 60's Jane tip-toed up the back stairs to the top floor of the old Hotel Statler, peeked around the corridor and...

"The jig was up. Scowling down at me was a bodyguard about seven feet tall with a hairdo like Don King. He seemed four feet wide. I never did get an interview with Elvis Presley."

Elvis's loss.

Etcetera

Arthur Black

No switch necessary as County sticks with Bell

(from page 2)

implement mail-in or phone-in voting for the coming municipal election. It was generally agreed that there is not enough time to implement either system. Some municipalities have opted for an additional advance poll.

Councillor Jeanne Anthon, Reeve of Anson, Hindon and Minden, told the meeting she had spoken extensively with Canada Post and Bell Canada officials without getting clarification on some key issues.

She noted that the clerks' association has recommended against either system at this time.

"It would give the clerks less control and additional responsibility," Anthon said. "We haven't looked at this in a frivolous way. We looked at this long and hard."

Long distance

A recommendation by the Finance Committee to switch the county's long distance telephone provider from Bell Canada to Sprint Canada was voted down by the majority of County Council. Finance Committee

chair Doug Holman said that the county could save \$840 per year by switching long distance providers.

Before the vote, councillor Bill Davis voiced the opinion that there are 26 people in the county who work for Bell Canada. He also noted that Sprint Canada has no local employees. Davis made it quite clear he was not in favour of switching providers.

"I can't support a move to Sprint Canada for \$840," he said.

Councillor George Simmons concurred.

"If it was more than \$840 a year, maybe it would be worth considering," he said.

More than one council member quoted the Bell Canada television commercials which state that thousands are switching back to Bell each week.

Resolution supported

A resolution by the council of North York petitioning the provincial government not to take away the telephone gross receipts tax for the use of municipal rights-of-way which is now collected by Ontario municipalities was supported by Haliburton County council.

cil.

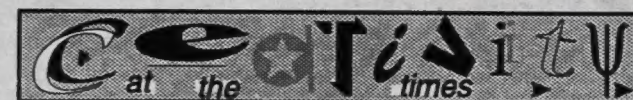

Municipalities currently collect a fee for the use of rights-of-way by telecommunications companies.

Warden Murray Fearrey said he didn't know how it would affect the county, but he speculated it could be as much as half a million dollars.

North York's resolution also asks that if the province does not compensate municipalities for this loss of revenue, that the federal government be requested to amend its legislation to require telecommunications companies to pay municipalities directly for the use of its rights-of-way.

Temporary road closure

Haliburton County council passed a by-law to close a section of the Horseshoe Lake Road from Highway 35 at Minden to the Bethel Church Road during the World Cup Slalom on the first weekend of August. The closure will be in effect for a period of 31 hours, from 8 a.m. Saturday, August 2 until 5 p.m. Sunday, August 3.

Programs subject to change. Please confirm details with organizers.

Day camp continues as search begins for permanent facilities

by Jerry Grozelle

The lack of a facility has forced CSSM (Canadian Sunday School Mission) Bible Camp to cancel its residential program for this summer. Ken and Louise Leonard of Minden have been operating the camp at various locations in Haliburton County since 1986.

"We want to let people know we are still here and still working with young people in the area," Louise Leonard said. "We will be running three day camps this summer."

The day camps will be at South Lake Trailer Park, Balsam Lake and Island View Trailer Park near Norland.

The Leonards had rented or leased facilities at various locations, but suitable accommodations were not available for the 1997 season. Louise said that the camp is actively searching for property to buy. She says a minimum of 50 acres, with water access, would be required. A larger parcel would be even better, she says, since the camp accommodates as many as 60 youths, aged nine to 16, at a time.

A resort or similar facility would be preferable, but vacant land with good water access would be considered. The problem with vacant land is the fact that it would be at least a year before facilities could be constructed, which would mean the loss of another summer season.

The Leonards came to Minden in 1986 and started the CSSM Bible Camp the following summer. There were no similar programs available in the area at the time.

"We saw the potential here," Louise said. "It has grown steadily since 1986."

The camp combined sports, such as canoeing, archery, swimming, baseball and crafts, with bible study.

When the camp first started, the young people who attended were almost exclusively from the Minden area, Louise said.

"Over the years, they have invited family and friends from outside the area to participate."

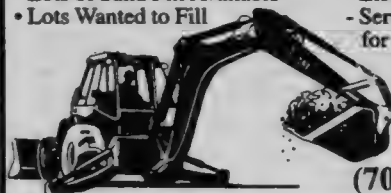

She added the local churches and service clubs have been very supportive. They continue to help with the day camps. Several youths who would not have been able to attend the camps have received sponsorship.

The Leonards will be spending a few weeks at CSSM camps in Alberta, Saskatchewan and Thunder Bay, Ontario before returning to Minden in time for the day camps, which start in early August. Louise says she sees this as an opportunity to learn how some of the other camps operate. It will also provide some insight if a local facility must be built from the ground up. Louise said she and Ken will see what works best, in terms of building layout, at other facilities.

CSSM camps are operated under the jurisdiction of a board of directors. The local board has 10 members -- three from Haliburton County, four from Victoria County and one from the City of Orillia.

Stanhope Soccer League enrollment up 60%

by Jerry Grozelle

The Stanhope Soccer League has grown in a single year from 74 players in 1996 to a total of 120 this season. And there is a waiting list of potential players who couldn't be accommodated. The season got under way June 17 on five soccer pitches behind the Stanhope Fire-fighters' Hall.

The league boasts two teams of five year-olds, four teams each of six and seven year-olds and four teams in the age range from eight to 10.

Joan Sobil, organizer of the league, said that half of the evening is spent teaching soccer skills to the players and the other half is spent putting those skills to the test in scrimmages.

"This is a fun league," Sobil said. The emphasis is not on winning. It's not that competitive."

Sobil has her level 1 coaching certificate. She conducts clinics for the volunteer coaches before the season starts and prepares a written package that coaches can study to hone their skills.

Most of the coaches/volunteers are parents of the players, but Sobil noted that three of them are older people who have no youngsters in the league. She is really pleased that they have taken an interest in helping the youngsters learn and enjoy the sport.

Players come from as far south as the Kinmount area to participate in the league.

Although Sobil is the lone executive member this year, she says she hopes to recruit some help for the 1998 season. She will be looking for volunteers to sit on the executive at the end of this season.

League play will continue every Tuesday evening from 6:30 to 7:30 until August 26. At that time, the season will be wrapped up with a family night. Sobil said an alternate rain date will be chosen in case of inclement weather on the designated day for the family fun event. She decided on the alternate date, if neces-

sary, because the grand finale last year was dampened by a cloudburst.

Support from county service groups and businesses, as well as the Township of Stanhope, has been very good. Enough cash was donated to buy balls, pylons and other equipment. The ABS plastic pipe to make the goal posts was

also donated.

"The township is 100 per cent behind us," she said.

Sobil says some work will be done to improve the fields this year. The township will assist with labour and equipment and some of the funding for the repairs will come from the cash donations.

Soccer returned to Stanhope this past week with the start of Tuesday night practises. The league, for youngsters from 5 to 10 years of age has attracted 120 players, with a number still on waiting lists. The games are played at the playing fields behind the Stanhope Fire Fighters Hall.

Senior curlers take to the links for annual golf tournament

By Gail Grainger

Curling news at this time of year? You betcha!

On Tuesday June 9, 1997, the Minden Seniors Curling Club, held its annual Spring Golf Tournament at the Beaverbrook Golf Club. Mother Nature generously provided blue skies, gentle breezes and temperatures in the 80's.

Helen Rice and her committee did a wonderful job of setting up the teams and organizing the day's activities. Twenty teams teed off and played a game of best ball. For all of us duffers, it is the only way to play golf.

The winning team was captained by Ted Wilkes, with his able-bodied crew of Winn Newberry, Lee Oster and John Thomas.

Second place winners were Earl McDonald, John E. Thomas and Dorothy Strype. The third place winning team was Tom MacDonald, Marjory Windover and Hugh Hamilton.

The longest drive for ladies was won by Joanne MacDonald and for the men by Dan Abel.

The closest to the hole was won by Merle Codlin for the ladies and by John Thomas for the men.

Later that afternoon, 115 of us met back at the curling club for a delicious dinner of ham, baked beans, salads and cake and ice cream. Special thanks to Doreen Spencley and her culinary experts and to the set-up and clean-up crews.

Since March of this year, all members of the Seniors Club, have been actively selling draw tickets on a set of golf clubs. These were donated by Len Heise, owner of Golf Fitters in Bobcaygeon.

All proceeds will go to help the junior curlers.

Muriel Harrington spearheaded the campaign and recruited Dave McAdam and Helen Rice to help sell some of the tickets at Home Hardware on Saturday mornings. Dave not only sold tickets, but if a book only had one ticket left, Dave would buy it.

Of course, Dave kept saying it was for the good of the junior curlers, but we all know Dave, just how much you really wanted those clubs. In fact, I heard he was even willing to buy them from the winner.

The 50/50 draw was won by Norm Gilmour, Bill Trapp won a set of golf balls and Ruby Wilkes a golf hat.

Finally the big moment had arrived for the draw for the golf clubs. The wheel was spun an extra few times and Hal Burton did the honours. With great fanfare, the winning ticket was drawn. Well, there were a lot of

"I don't believe it. It just can't be" comments when the name was finally announced by Muriel Harrington. You guessed it, out of 2,000 tickets, Dave McAdam won. Congratulations Dave and have a great summer on the golf course.

Thanks to everyone, who made this golf tournament such a special event. See you in September at the Fall Golf Tournament.

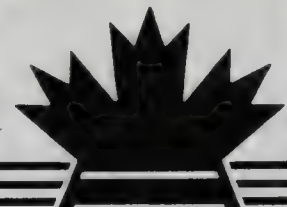

More photos on pages 20 and 21

Peelers successfully defend title

The second annual Jenna Tompkins Slo-Pitch Tournament raised nearly \$1,500 for the Minden Hospital Fund.

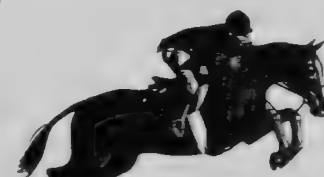

Five teams competed in the tournament June 14 at the Minden ball park, with the Peelers of Mississauga successfully defending their title. The Peelers team, although home based in Mississauga, are mostly area cottagers.

The team includes Patti and Tom Robbins, Bill and LeeAnne Peeling, Laura Hunter, Bill Peeling Sr., Arun Bhatti, Jacqueline Fraser, Jamie Peeling, Mike Peeling and Sandy Dilill.

Nickstockers, the Minden team that finished as championship runner-up last year, won the consolation championship this year.

Members of the Nickstockers team are Nick Joanu, Scott and Marian Gartshore, Brian and Charlene Austen, Craig Smith, Christine Hewitt, Dave and Sandy Hartwick, Mike Speers, Nick Rallis, Don Dewar, Giselle Cyr, Doreen Kellestine and Roger Buie.

Organizers expressed their appreciation to all the sponsors, volunteers and participants.

Antlerless deer tag draw changes implemented

Natural Resources Minister Chris Hodgson announced changes to the antlerless deer draw that will make applying for deer validation tags more convenient for hunters.

Hunters will be able to choose one of two different systems to apply for antlerless deer validation tags.

Under the first system, Ontario hunters may obtain their resident's deer licence and enter the antlerless deer draw by telephone. Hunters may apply from either a touch-tone or a rotary dial phone. The telephone lines are open now and will continue to be open until July 31. The number is 1-800-288-1155. The lines will be open from 4 a.m. to midnight (EDT) seven days a week. Callers need a valid 15-digit hunting version Outdoors Card number and a valid Visa or MasterCard. They must also identify which wildlife management unit (WMU) they prefer. A telephone application brochure will be mailed to all Ontario deer hunters, providing step-by-step instructions for completing applications.

The second system allows hunters to continue applying by the traditional paper process through the purchase of a resident's deer licence or farmer's deer licence at any of the ministry's hunting licence issuer outlets. These licences are available now. Hunters require a valid hunting version Outdoors Card before they will be allowed to purchase a deer licence. The application for the antlerless deer draw is attached to the paper licence. Hunters should simply complete the application form and mail it to the address on the back of the form. This form must be received by MNR no later than 4:30 p.m. (EDT) Thursday, July 31, 1997.

Members of the Minden Women's Institute as they celebrated the organization's 90th anniversary last week. From left at back: Maud Coulter, Beulah Hewitt, Jeanne Sears, Elva Deacon, Bette Herlihey, Margery Coulter, Shirley Cox, Mary Cox, Mabel Deacon, Norah Briggs, Bea Berry and Mary Wilson. Seated are: Irene Moore and Jean Cox.

Minden Women's Institute at 90

With friends, songs and a fun-filled afternoon the Minden Women's Institute (W.I.) celebrated 90 years in the Minden community.

Joining members of the Institute were numerous guests including: daughters, granddaughters and friends of former members as well as visiting members from other

jurisdictions. Mary McMaster, Women's Institute President of the district and member of the Norland group was on hand to celebrate with the group as was Reeve Jeanne Anthon.

Greetings were sent to the Minden Chapter of the Women's Institute from many individuals as well

as from the Norland, Blythe and Fenelon Falls area Women's Institutes.

Two visitors from the Minden and District Horticultural Society paid tribute to the Women's Institute with a song and skit. Lorna Roland and Shirley Colliss were joined by W.I. treasurer Mary Wilson in their per-

formance. The group was also treated to a brilliant comedy routine presented by "Minden's Bag Lady" Doris Brown.

Lifetime member, Irene Moore, lit the birthday candle and cut the cake.

Over the years the Minden Women's Institute has done a lot for the Minden community. For details see report below.

Looking back at 90 years of service

The following summary was prepared by the Minden Women's Institute highlighting some of their many projects since 1907

1907: Minden W.I. Officers Mrs. Wm. Fiedling, Mrs. Donald Hartle and Mrs. Wm. Dean with 27 charter members had their first meeting in June of 1907 at the Town Hall.

1908: Mrs. S. Phillips attended the Area Convention in Toronto.

1914-1918: Ditty Bags were made for soldiers by members of the Women's Institute.

1924: The cemetery stone wall and plaques bearing the names of Veterans was erected at a cost of \$625. This was paid for by the 12-18 members of the W.I. through various fund-raising projects. Early meetings were held in the Town Hall over the jail. Mr. Garrett lit the box stove for 25 cents a meeting.

1910: Street lights were provided for some streets. A piano was purchased for the Hall.

1911: A cook book was put together with fa-

vorite recipes.

1947: Our 40th Anniversary was combined with Victoria East District Annual at St. Paul's Anglican Church. Since then

we have celebrated our 50th, 60th, 70th, 80th, and our 90th this year.

Some other projects included:

- supplies for the Town Hall, fire escape, chairs, scenery, and curtains for the stage.
- gave land for a playground at the downtown arena, which is now a parking lot.
- chartered buses yearly, spring and fall, visiting places of special interest in Ontario.
- attended ACWW Day at Maple Leaf Gardens in 1961 taking other branches along.
- taught knitting and embroidery at our Public School.
- visited the Hospital once a month with treats.
- maintained a public washroom on the town's Main Street.
- served roast beef dinners with pie for dessert at the Fall Fair. The meals were served in our own building and made in a large wood cook stove.
- at our monthly meetings we enjoyed many speakers as well as visitors from near and far. At the meetings we also had demonstrations and workshops.

• school fair prizes provided at Minden Fair and also art scholarships.

• the Women's Institute is a regular contributor to a variety of worthy causes including: Cancer fund; Red Cross; Hospital; Library services; arenas; hockey

Life member Irene Moore lights the W.I. birthday candle to mark the organization's 90th anniversary.

club dinner at the United Church for Minden team, all- Ontario winners; Catscan; pennies for Friendship for ACWW

- the Card Fund, which is still going on thanks to Helen Welch and now Irene Moore.
- Quilts for War Brides after World War Two.
- tractors for Greece.
- sewing machines with instructions, for Ceylon
- water wells for various third world countries
- supported an overseas child

- trees planted in the Peace Park 1992.

The Minden Women's Institute has also had some enjoyable experiences. Listing just a few: Visits with or from other branches; picnics at Orange Grove with boat rides; sleigh rides to Tom River's farm; skating parties; card games; conventions; District Annual meetings; Alf Langdon's boat trips; and many, many bus trips to all parts of Ontario.

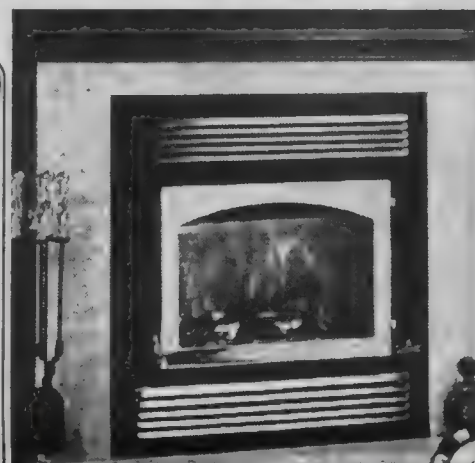

We continue 'For Home and County' and had a celebration for FWIO Centennial in February 1997.

ASES Graduation Day 1997

Grade eight students gathered in the library just before the graduation ceremonies, for this informal portrait. Some 71 students received diplomas, awards and the praise of their teachers as they completed the elementary portion of their education and prepared for a new experience in high school. Among the grade eight graduates featured above are:

In class 8-A, Chris Boxall, Emily Brandon, Elizabeth Brown, Curtis Danilko, Jerney Davis, Erin Fielding, Keri Hartwick, Chris Hewitt, Gregory Hewitt, Kyle Hisrtwood, Kim Lindsay, Heather Little, Keegan Mackenzie, Krista Matysek, Justin McClenaghan, Matt McElwain, Dan Nielsen, Ashley Pettes, Kaila Rawlings, Josh Shaw, Liz Thompson, Adam Thom, Shane Walker.

In class 8-B: Leah Anderson, Chris Baumhour, Jenn Chirstian, Tara Colman, Brian Farrell, Michell Fowler, Chris Graham, Jamie Greig, Mark Hamilton, Adina Ingram, Jeremy Johnson, Jen Johnston, Kelly Johnston, James Kemohan, Raydon McCrea, Mike McDougall, Lesley Milburn, Shawna Ray, Curtis Robinson, Raymond Shim, Mark Sisson, Stephanie Stevens, Devon Swanton, Leslee Wood.

In class 8-C: Steven Alexander, Stephanie Armstrong, Christine Barnes, Todd Barter, Margaret Berube, Sean Carrell, Mimi Cho, Katie Cox, Brad Gauley, Kent Greer, Christine Hayes, Josh Howard, Caleb Loughheed, Billie Maw, Sara McGuire, Heather McKelvey, Jesse McKelvey, Phillip Neville, Crystal Patterson, Jeffery Pentney, Brittany Prentice, Shauna Sisson, Sarah Wilbee, Trevor Woods.

The best and the brightest are honoured at ASES

Proud parents, relatives, friends, teachers and fellow students crowded into the Archie Stouffer Elementary School gymnasium Thursday evening to pay tribute to the students of this year's graduating class.

It was also an emotional evening as students said goodbye to teachers and the familiar surroundings of the school most had known for all their school life.

It was a time for celebration as awards were presented to outstanding students in a variety of fields of study and endeavours.

Principal Peter Forgrave greeted the close to capacity audience. He reminded the graduates the ceremony they were participating in was the result of hard work from a variety of individuals. He paid tribute to the parents,

relatives, teachers, members of the board of education and the students themselves for the success they had achieved. In particular he mentioned the contribution of the Haliburton County Board of Education members, noting that as of next year, the board will be amalgamated with Victoria and Muskoka boards. "Over the years, they have helped to make the education sys-

tem the best it can be."

"You are on your way to high school where you meet new people, new teachers, new challenges and new freedoms. Never doubt that you are different from any other student in Ontario. Give it your best." Finally he told the students to, "Remember the values that got you to where you are today....care about

Comedy opens July 2

Live theatre returns to the Highlands again this year with a rollicking farce. The play, *The Hand That Cradles the Rock*, will be presented each Wednesday during July at the HHSS auditorium in Haliburton. The comedy is directed by Candy Robinson, left. It features her husband Tom, centre, daughter Amanda, right, Heather Scully, back left, Doug Brohm and Chris Archer. Curtain time is 8 p.m.

Pair charged following police chase

A 1979 Chevrolet pick-up truck was reported stolen from the parking lot at the Haliburton Legion on June 17, at approximately 10:00 p.m. At about 10:30 p.m. the vehicle was observed by a Minden/Coboconk Detachment officer while on patrol. The vehicle was northbound from West Guilford and headed for the Village of Eagle Lake. The driver of the stolen vehicle failed to stop for the officer and was followed at speeds of 125 km/h. At the intersection

of Highway 118 and County Road 14, the vehicle entered a private drive and went into a swamp.

Two occupants of the vehicle were arrested at the scene and remain in custody for bail hearings

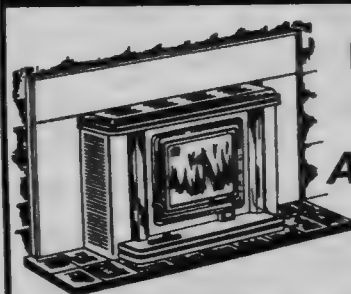

scheduled in Lindsay Court.

A 17 year old male young offender from Haliburton is charged with theft and possession of stolen property.

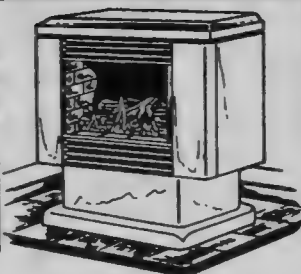

Richard William Law-

rence, age 23, of Haliburton is charged with theft, possession of stolen property, dangerous operation of a vehicle, failing to stop for police and driving a motor vehicle without a driver's licence.

JIM & BERYL O'CONNOR

ASES graduation 1997

(from page 25)

yourself, your friend and others."

Teacher Dale McConnell, who has been transferred to Dorset School after over 20 years at Archie Stouffer was the keynote speaker. He told the students he was extremely proud of their achievement and wished them good luck.

Prior to the presentation of certificates, students with outstanding performances in a variety of subject areas were named. Eleven students received an outstanding rating in all six subject areas including English, French, Mathematics, Science, Arts and Personal and social development: Emily Brandon, Elizabeth Brown, Heather Little, Keegan MacKenzie, Krista Matysek, Liz Thompson, Jeremy Johnson, Raymond Shim, Shawana Ray, Margaret Berube and Jeff Pentney.

Special awards were then presented to the students. These awards are featured in the photographs on this page.

Student Prime Minister Erin Fielding told the gathering the students may be leaving Archie Stouffer Elementary School but they are taking a lot of good memories with them. "This is surely the best school we could have attended," she said to the approval of her fellow grade eight graduates.

Before the evening closed, the graduating class choir, under the direction of Glen Carter and Kathy Rogers, sang 'Circle of Friends', a fitting tribute to the first phase of their educational experience.

Following the presentation of the certificates, the students and guests enjoyed a reception in the school's foyer, hosted by the grade seven students and parents.

(NOTE: Due to lack of space we were unable to feature all the award winners this week. See next week's newspaper for more graduation photos. Our report on the Saturday night HHSS graduation ceremony will appear in next week's edition of The Times.)

ABOVE: Student's Council Prime Minister Erin Fielding.

LEFT: Vice Principal Dave McKinlay with the Alan Walker Memorial award winners Christine Hayes and Chris Baumhour. The award recognizes students who go out of their way to be helpful around the school.

LEFT: Physical Education teacher Dan LaPierre with the recipients of the Athletic Achievement awards, from the left, Josh Shaw, Emily Brandon and Elizabeth Brown.

Graham Knight, left, manager of the Canadian Imperial Bank, presented the Mathematics Awards to Sean Carrell, Heather Little and Jeremy Johnson.

Toronto Dominion Bank manager, Mary Coneybeare presented the bank's English Awards to Margaret Berube, Emily Brandon and Shawna Ray.

Lee Ostrer, left, and Marvella Smith, right, presented the Minden County Town Museum awards for history to Margaret Berube, Krista Matysek and Raymond Shim.

Brian Austen, left, presented the Masonic Lodge awards to Adam Thorn, Katie Cox, Jeremy Johnson. The award recognizes students who have overcome exceptional adversity in their quest for education.

Helen Newton retires after 27 years at ASES

Surrounded by co-workers, staff and friends, grade three teacher Helen Newton celebrated her final year of teaching Tuesday afternoon.

The group gathered in the foyer of Archie Stouffer Elementary School to bid farewell to a teacher who has dedicated 27 years of time and energy to ASES.

Newton was presented with two batiks by Mary Wallace, one of the school and the other of children playing on swings. The batiks were framed and bore the signatures of her co-workers on the back. The presentation was made by principal Peter Forgrave.

"Helen has had a career that most teachers can only hope for. She has done wonderful things for her kids and that is the highest compliment a teacher can receive," Forgrave said.

As for her retirement, Newton leaving her options open.

"I will still work in silk a bit. I imagine I'll end up involved in computers somehow. But for now I'll just take it slow," says Newton.

Last year, Newton was named teacher of the year by TV Ontario.

Helen Newton with the batiks presented to her at her retirement tea.

Flowers of Hope

The Haliburton County Association for Community Living is launching its annual Flowers of Hope Campaign next week. The association will be asking for donations from the community via mailed flyers. Donations need not necessarily be monetary. The group welcomes donations of appliances, fixtures, dishes and other household items. If you can lend your support, please phone 457-2626. The Haliburton County Association for Community Living participants and staff members pictured here include: Cheryl Curry, Ann Reynolds, Helen Bobinski, Gloria Kent, Pat Burke, Elena Bejels, Robert Nimigon, Maureen O'Hara, Robin Fletcher, Sandra Noble, Jack Eastman, Maryann Stammers, Larry Watt, Doug Johnson and with rake and shovel in hand: Dale Jarvis and Ross Anderson.

what we have here is the ability to communicate

LTC Access Centre appoints Haliburton County rep. and executive director

Marianne Knight, Chairperson of the Board of Directors of Haliburton, Northumberland and Victoria Long-Term Care Access Centre, has announced that Ann Wood will serve as a director on the board representing Haliburton County.

Mrs. Wood is well known in the health care field having served Haliburton, Kawartha, Pine Ridge District Health Unit as both a practitioner and volunteer. Her dedication over the years to the well-being of her clients was noted by the members of the Nominating committee in their recommendation to the Board.

In her announcement of the new appointment, Mrs. Knight remarked that the Haliburton County representation was an important vacancy to fill since the area has a large number of retirees.

Interim executive director

The board has also announced the appointment of Marg Plaunt as Interim

Executive Director. The appointment is retroactive to April 1, 1997.

Mrs. Plaunt is well versed in the duties of the position having occupied a similar post in the Haliburton, Kawartha, Pine Ridge District Health Unit as Director of the Home Care Program and Placement Coordination Service. "In the interests of continuity, and to provide uninterrupted service to clients, the appointment illustrates the Board's commitment to the needs of Long-Term Care staff, clients, service providers, and the general public for smooth transition of responsibility for the HKPR District Health unit to the new Access Centre.

Mrs. Plaunt's office will be in the District Health building at 108 Angeline Street South in Lindsay.

Minden Kinette club closes after 37 years

On Monday, June 9, 1997 the Kinette Club of Minden held their final meeting. In operation since the spring of 1960 this organization has closed its doors due to a serious lack of membership. Unable to entice any newcomers, it was decided to surrender their charter and hope that other community minded organizations will pick up the slack created by their absence.

One of the Kinette's top priorities has been the support of research for Cystic Fibrosis. Within the County of Haliburton, the Kinettes have raised funds for the new SIRCH emergency house, the ball park, equipment for the play ground, CHACE Place, the Hal Rogers' endowment fund for continuing education, the Food Bank, C.S.S.M. summer camp for kids, the local Minden Hospital and the local OPP Main Street Station, the Hyland Crest Home, along with assisting many needy residents of our community with problems too numerous to mention.

The Kinettes have operated the food

concession at the arena grounds for the ice races, Demolition Derby, the Show and Shine Truck Pull and the Ride for Sight weekend.

In the first few years there were dances for New Year's Eve, Valentine's Day, St. Patrick's Day, Hallowe'en and any other occasion they could think of, some held in

Service Clubs

the old arena where the current municipal office stands. The club members have held yard sales, book sales, flea markets, sold tickets on everything including the kitchen sink.

It wasn't all work and no play. The Kinettes have enjoyed many great get togethers - corn roasts, family picnics in Algonquin Park, and Pot Luck Christmas dinners in private homes just to name a few.

They have done their work with very little fan fare and now, after thirty-seven years it is time for them to stand up and take a bow. President Sheila Carrell, Treasurer Dorothy Evans, Secretary Barbara Elder, Director Elsie Stamp, Director Heather Johnson and Bulletin Editor Marg Prentice.

Thanks for the memories, Kinettes. You will be missed.

Northern Jam add to happy hour enjoyment

Hello again. Another week has gone. Mary was here on Friday morning, reading a novel for us. Our thanks, Mary, for volunteering your time with us. Happy Hour was enjoyable with entertainment by Northern Jam. On Saturday, June 14, one of our nurses, Tammy Campbell was married at Zion United Church in Carnarvon. Best wishes to you Tammy from all of us here.

The new system for visitors entering and leaving our home is now in place. Just in time as we are seeing many more visitors now with the warmer weather. This new system is much more convenient for visitors and staff.

One of the visitors on Sunday took time to play for some of us on the electric organ in one of the small lounges. This was much appreciated.

Going back a bit, to the end of May, Ray Moore, a former student of Nina Prentice visited with her. Ray, who was born and raised here in the area, now lives with his wife in New Orleans. They enjoyed talking of things past.

We were sorry to hear of the passing of Wilhelmina Elphinstone in her 91st year. Our sympathy to her family and friends. Allsaw Pentacostal Church was here on the 16th for the monthly hymn sing, which we always enjoy, and is well attended.

We are glad to hear that Winnie Barnum's son, Terry, is recovering from his sudden illness.

Senior League

On Tuesday, the 27th, Rev. Peter Walford-Davis officiated at Chapel Service where Jean Carr was remembered by residents and staff. We have learned that Robbie Young is in Western Hospital in Toronto recovering from surgery. Our get well wishes to you Robbie. We hope you are feeling better soon.

We have just had a pleasant interruption while writing this. Joan Bunn was here with two delightful puppies. Accompanying her was John Dicker, one of our residents. He was very attentive to the puppies and made sure they were kept safe. Wednesday afternoon some of us joined in a discussion on June Weddings. In the evening the Fearray's entertained us.

We welcome Rick Edwards to our home and also Alice Hopper who was here on vacation and has now joined us permanently. Also a welcome to Rose, a new volunteer for activities. This Afternoon we are really looking forward to our tea party, The Ladies Auxiliary are planning to serve us fresh strawberries and ice cream. That will certainly bring a lot of us out.

Happy Birthday wishes to Grace Coburn, 91 years on June 23 and to Jack Durnford, 82 years, also on the 23rd.

A friendly reminder for the strawberry tea on the 28th and the flea market on July 5 and 6. We hope these dates are on your calendar. Talk with you next week.

Dave Carr and Rachelle Robertson were married May 24. Dave is the son of Ben and Val Carr of Minden while Rachelle is the daughter of Stu and Fran Robertson of St. Joachim. Dave is a 1991 graduate of HHSS. The couple are both 1995 graduates from the radio Broadcaster course at Centennial College. Dave is currently working as a producer at Rock '95 in Barrie. Rachelle is a creative writer at CHAY Radio in Barrie. The couple reside in Elmvale.

THE CORPORATION OF THE TOWNSHIP OF LUTTERWORTH PUBLIC NOTICE

File # SR-3/96

TAKE NOTICE that the Council of the Municipal Corporation of the Township of Lutterworth, proposes to enact a by-law to stop up, close and convey to the abutting property owner a portion of the original allowance for road set out and described as follows:

FIRSTLY: ALL and singular those certain parcels or tracts of land and premises situate, lying and being in the Township of Lutterworth, in the County of Haliburton and being composed of part of the original sixty-six foot shore road allowance along the shore of Black Lake, lying in front of Part of Lot 26, Concession 7, and being more particularly described as Part 1 on a Plan deposited in the Registry Office for the Registry Division of the County of Haliburton as Plan 19R-6300.

THE PROPOSED BY-LAW will come before the said Council for consideration at its Regular Meeting at the Municipal Office, located three miles south of Minden on Highway #35, on the 10th day of July, 1997, at the hour of 4:00 p.m. and at that time, the Council will hear in person or by his or her counsel, solicitor or agent any person who claims that his or her land will be prejudicially affected and who applies to be heard.

DATED at the Township of Lutterworth this 5th day of June, 1997.

Mary Jane Irwin, A.M.C.T.,
Clerk-Treasurer,
Township of Lutterworth,
P.O. Box 850,
Minden, Ontario,

WANDA MOLE
CO-OP TEACHER

Around the County Town

by Gord Graham (call 286-6506-- FAX 286-3460)

A fire station received a panic-stricken call. "My house is on fire yelled the caller."

"How do we get there?" asked the fireman.

"What do you mean - how do you get there" shouted the poor man in desperation. "Don't you have that red truck anymore?"

The official opening of Pritchard House on Milne St., beside the municipal parking lot and behind the post office, will take place on Saturday, June 28 at 2 p.m. Pritchard House is the new home of the Haliburton Highlands Handweavers and Spinners, where looms and spinning wheels go into action. A gift shop of handmade articles for purchase is also a part of the home. There will be demonstrations taking place during the day of the opening with refreshments being served. Also, to help the town celebrate the July 1 holiday, Pritchard House will have lots of activities taking place that day.

Promise yourself to make all your friends feel that there is something worthwhile in them.

Our congratulations to all the students who graduated this past week. For all of you this an exciting moment. We wish you luck.

Your reminder for this week is to acknowledge the new poop and scoop

signs and to keep the streets and flower boxes free from litter. As you walk through town and happen upon some litter do yourself and your friends a favour by picking it up and depositing it into a (hopefully) nearby waste receptacle.

The Stanhope seniors have tickets for sale for the Big Bucks Bid Euchre going on on Wednesday, July 16. Don't miss this great event. More on this later.

The Friendship Club of St. Paul's Anglican Church invite euchre players each Monday starting at 1:30 p.m. for games and friendship. Last week they welcomed a new player, Jeanne Keliele, and she was so happy to be there that when she captured both the 50/50 draw and the high lady score award it was done without recriminations. Other winners were Pearl Cowan most lone hands, Jack Chilton high man score and Iris Taylor low score.

Club 35 is a beehive of activity both on Monday evening at 7:30 p.m. and on Friday evening at 7 p.m. Mondays, you're invited to join them for euchre and Fridays for bid euchre. Partners are not required. Last Monday Mary Pearson won the 50/50 draw and the high lady score; Edith Russell (who is soon celebrating her 96th birthday) had the most lone hands; while Murray Daniels won the high man score. Other prizes were left over and they went to Rhoda Woolner, Wally Harpur and

Maxine Thomson.

On Friday the June 13, birthday girl Edith Russell, had a moonshot and a score of 215, Maxine Thomson also had a moonshot and a score of 270. Other great scorers were: Lou Penick 267; Don Burch 265; Stan Walters 246; and Marg Fletcher 218. Club 35 is located 9 kms north of Carnarvon.

Contract bridge players from Stanhope love to get out and challenge each other and all comers every Tuesday at 1 p.m. in the Firefighters Hall. Last week they had 8 tables going and they don't even care about making up partners. During last week's festivities a grand slam was bid and made by Morris Hansen and Ross Fletcher and a small slam by Wynne and Morris Hansen. So you can see what kind of talent shows up every week (just kidding - they like all kinds). First place went to Ross Fletcher, second Pearl Foster and third Mary McNiece.

Seniors bid euchre is played each Tuesday starting at 1:30 p.m. in the Minden Legion Hall. Last week Bev Johnson was first, Gala Stamp second and Grace Dixon third. Hidden score by Ann Baker and moonshots by Ann and Gala. Stay tuned for the next birthday cake time.

On Wednesday, June 11 some pretty impressive bid euchering was going on

in the Stanhope Firefighters Hall. Marion Irwin had a great score of 324 followed by: Jim Irwin 287; Lottie Ruttan 283; Jim Skinner 280; Marjorie Cowen 278; and Helen Lee 269. Meet every Wednesday starting at 7 p.m. and don't forget the Big Buck Bid Euchre!

Results of the euchre played on Thursday, June 12 in the Minden Legion were: most lone hands - Vi Edgson and Truman McNeil; high scores - Marion Irwin and Jack Chilton; low scores - Jim Bradbury and Earl Hayne; other score awards - Marie Dennie, Rhoda Woolner, Vivian Anderson and Iris Taylor. Meet every Thursday at 7:15 p.m.

HEALTH NEWS:

"It ain't fittin that foods get a bum rap!"

The truth about some controversial foods, according to Canada's professional dieticians: (cont'd)

-Eggs. Eggs are a tasty, inexpensive source of high quality nutrition. Yes, they are high in cholesterol, however the impact of the cholesterol in food has been greatly magnified. Always substituting egg whites for whole eggs is just plain misguided, since the yolk has most of the nutrients.

-Fast Foods. Because a food is prepared quickly doesn't make it non-nutritious. A fast food meal can be high in fat and sodium and low in fibre but still provide lots of nutrients. The idea is not to base your entire diet on them.

CARDS OF THANKS

THANK YOU

We would like to thank all our family and friends who came to help celebrate our 65th wedding anniversary and my 95th birthday. Thanks also for your good wishes, cards, gifts and flowers. You made it a very special day for us.
Gladys and Jim Dugan.

We would like to thank everyone who bought tickets for the golf clubs and bag, for the Junior Curlers of the Minden Curling Club. The winner was Dave McAdam of Minden Ticket 798. Special thanks to Home Hardware for allowing us to sell tickets there.
Minden Seniors Curling Club.

I sincerely thank everyone who participated and helped organize the David Besner Memorial Lob Ball Tournament. Special thanks to my parents, Tom and Marilyn Bagshaw and to Craig and Tammy Smith for all their time and hard work. Also to the Orillia Ladies and Men's Lob Ball teams who so graciously donated their tournament winnings to our son Matthew. Thanks also to everyone who helped umpire, cook and assist in making it a great day. Your generosity is gratefully appreciated.
Lisa Besner.

On behalf of Victoria-Haliburton REFORM PARTY, I wish to express my appreciation to those individuals who supported me during the 1997 election campaign. You truly made our campaign a success story!
Sincerely,
Pat Dunn, Candidate Reform Party of Canada Victoria-Haliburton Riding.

AT REST

MILES, E. Irene

Passed away suddenly at the Ross Memorial Hospital, Lindsay on Tuesday, June 17, 1997, at the age of 89. Irene is predeceased by her husband Albert Hilton Miles, son James Albert Miles, daughter-in-law Berdena (Toots) Miles and by her brother Jack Daniel. Irene is survived by her grandchildren, Sherri, Judy, Susan, Chris, Dorinda, by her ten great-great-grandchildren and one great-grandchild. Aunt of Jane Anne Graham (Daniels) and great aunt of Angela and Mark. Family and friends visited at the Gordon A. Monk Funeral Home, 127 Main Street, Minden on Friday, June 20, 1997 from, 12:30 to 2 p.m. with the Funeral Service to follow in the Chapel at 2 p.m. Interment Fenelon Falls Cemetery. Memorial Donations to the Palliative Care, Victoria would be appreciated by the family.

IN MEMORIAM

GREEN, Hettie Alice (Deans) - In loving memory of a dear wife and mother who passed away June 22, 1995.
*Always on our minds.
Jim and Carol*

PROCENKO, Michael - In loving memory of our dear son and brother lost to us June 23, 1978.
*There is someone who misses you sadly
And finds time long since you left.
We are thinking of you always
And try to be brave and content.
Gone is the face we loved so dear,
Silent is the noise we loved to hear.
'Tis sad but true, we wonder why
The best are always the first to die.
Forever remembered, forever missed.
Mom, Dad and Lisa.*

PROCENKO, Michael - In loving memory of a dear wee friend and neighbour taken June 23, 1978.
*Always remembered,
Never forgotten.
The Beers Family.*

SALLY
*Finally at rest.
Sorry for the delay.
Never to be forgotten.
Love you always.
"B"*

IN MEMORIAM

GARTSHORE: In loving memory of a dear husband, father and grandfather, Loran, who passed away June 24, 1983.
*Sadly missed along life's way,
Quietly remembered every day;
No longer in our lives to share
But in our hearts, he is always there.
Remembered by Mildred, Verne & Marlin, Craig, Mary & Jason, Gary, Pat, Chris, Gary & Sean.*

COLTMAN, Ian Sr. - In loving memory - June 17, 1987.
*His smiling way and pleasant face
Are a pleasure to recall;
He had a kindly word for each
And died beloved by all.
Some day we hope to meet him,
Some day, we know not when,
To clasp his hand in the better land
Never to part again.
Ian & Waneita and family.*
